ORDER OF DETENTION PENDING TRIAL

On February 22, 2022, the Court conducted a hearing by videoconference on the Government's motion for detention. (Motion, ECF No. 4.)

Based on the information presented during the hearing, after considering the factors set forth in 28 U.S.C. § 3142(g), for the reasons stated on the record, which reasons include the nature and circumstances of the charge, which is alleged to involve a destructive device, the weight of the evidence as outlined in the affidavit filed in support of the complaint, and the nature and seriousness of the danger presented, the Court finds there are no conditions or combination of conditions that will reasonably assure Defendant's appearance or the safety of the community.

Therefore, the Court grants the Government's motion and orders that Defendant be detained pending trial.

Defendant is committed to the custody of the Attorney General or his designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal.

Defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the United States marshal for the purposes of an appearance in connection with a court proceeding.

SO ORDERED.

U.S. Magistrate Judge

Dated this 22nd day of February, 2022.
